

33492 and 33493—Continued.**33493.** *FURCRAEA CUBENSIS* (Jacq.) Vent.**Cajun.**

See No. 3449 for previous introduction.

Distribution.—Cuba and other West Indian islands; also in Brazil, where it was probably introduced.**33494. CUCUMIS MELO L.****Muskmelon.**

From Valencia, Spain. Presented by Mr. Robert Frazer, jr., American consul.

Received April 17, 1912.

“This belongs to the variety of ‘winter melon’ called ‘*Bronceados*’ and has been carefully selected from exceptionally choice fruit.” (*Frazer.*)**33495 to 33501.**

From Enfield, Middlesex, England. Purchased from Amos Perry. Received April 22, 1912.

Plants of the following; quoted notes from Perry’s catalogue No. 135, 1911.

33495. *ARISTOTELIA CHILENSIS* (Molina) Stuntz.**Maqui.**(*Cornus chilensis* Molina, Saggio sulla Storia Naturale del Chili, p. 173, 1782.)Seeds of this small evergreen tiliaceous tree from Chile were received under the name *Aristotelia macqui* L’Herit. (*Stirpes novæ*, p. 31, pl. 16, 1784). The earliest name given to the plant, however, was *Cornus chilensis*, published by Molina in 1782. It is necessary, therefore, to make the new combination *Aristotelia chilensis*.**33496.** *BERBERIS BUXIFOLIA* Lam.**Barberry.**Variety *nana*. “Dense compact tufts, about a foot. Flowers deep yellow. For the front of the mixed border or rockery. A showy plant.”**33497.** *BERBERIS HOOKERII* Lemaire.**Barberry.**

“This plant has beautiful golden-yellow flowers in early spring, succeeded by black berries.”

33498. *BERBERIS JAPONICA BEALEI* (Fortune) Skeels.(*Berberis bealei* Fortune.)**Barberry.**

“Pretty evergreen species, dark-green, hollylike foliage, and long racemes of pale-yellow flowers. Must be grown against a south wall.”

33499. *EUONYMUS LATIFOLIUS* Miller.Var. *albus marginatus*.

“The leaves are large, evergreen, wonderfully bright; as a small shrub, invaluable.”

33500. *JASMINUM BEESIANUM* Forrest and Diels.**Jasmine.**

“A new Chinese novelty and remarkably free, being the only red jasmine yet known. It is a quick grower, quite hardy. Flowers very abundant, of a bright, deep cherry red.”

33501. *COTONEASTER PYRACANTHA* (L.) Spach.(*Crataegus pyracantha* Medic.)Var. *lalandi*.

“One of the best shrubs for a north wall. Evergreen and covered all the winter with myriads of bright-scarlet berries.”
